Facilitate by Lauri Cloud, csh

Our event will begin at 1:00 p.m. and conclude at 5:00 p.m. A meal after the Conference will be available for those who would like to continue the experience. This will be an informal affair and a wonderful time to share feelings, ask questions or just continue to “BE” in the glow of the **CRYSTAL PORTAL**. To make reservations for your ‘after Conference meal’, please contact:

Because we will be working with the “timeless” 6<sup>th</sup> Dimension...our event will flow from one aspect to another without a timeline, of course integration and bathroom breaks will be dispersed throughout.

∞ Introduction and purpose of the **Crystal Portal Conference**

∞ **Open and Expand the 3<sup>rd</sup> Dimension**-this dimension represents challenge and struggle for all humans, whether it be emotional, mental or physical. The vibrations associated with this dimension resonate through our 3 lower chakras; Living Library, Twin Flame and Root. The infusion of the Crystal Portal energy will disrupt the challenge and struggle to allow a new energetic experience of effortless creation.

∞ **Open and Expand the 4<sup>th</sup> Dimension**- It is through this vibration we discover our innate abilities to manifest all of our desires and dreams. The 4<sup>th</sup> Dimension resonates through our Sacral, Solar Plexus and Heart Chakras. When infused with the 6<sup>th</sup> Dimension **Crystal Portal** energy, our Earthly experience transforms us into an entirely new realm of love, light, oneness and prosperity.

∞ **Open and Expand the 5<sup>th</sup> Dimension**-In the 5<sup>th</sup> Dimension we awaken into the dynamic ability to comprehend parallel lives and universes. The 5<sup>th</sup> Dimension flows through our Higher Heart, Throat and Third Eye Chakras. When **Crystal Portal** energy accesses this dimension, a new awareness of our connection to the Universal possibilities occurs.

∞ **Access the 6<sup>th</sup> Dimension and bring in The Crystal Portal**-We now connect with the 6<sup>th</sup> Dimension through our Crown, Higher Power and Bliss Chakras...in doing so, we draw down through all the energetic opening we have created throughout the Conference, **The Crystal Portal**...which will secure itself firmly into Earth and begin sending its spiraling energetic network downward, outward and upward. This amazing and transformational energy will begin to shift the planet and all of her inhabitants into the 4<sup>th</sup> Dimension.

∞ **Journey Into the Crystal Portal**-This is a 30-minute guided journey into the world of infinite light, unconditional love and absolute knowledge of Oneness. The process of experiencing the **Crystal Portal**, assists you in integrating the immense power available to make your transition into the 4<sup>th</sup> Dimension by 12-21-2012.

∞ **The closing event**-will be a focused guided meditation. This meditation will provide hands on experience in utilizing the **Crystal Portals’** energetic webbing to magnify and amplify personal and world healing. This section of our Conference will be lead by Barbara Leischner, a WorldWideHarmony Director.
